

# MAD MELODIES

## POP & ROCK CHOIR

Dear Choir Member,

After discussions with you all over the last few weeks I have set up a new payment scheme which will allow each member to pay monthly by standing order or direct debit.

Mad Melodies Choir will run every week, including school holidays. The only exception will be one session off over Christmas. If I am away I will arrange cover or a refund for the week.

### How the scheme works

Each member will pay £24 a month. This amounts to £6 a session, as there are 4 months of the year left with 5 weeks in, this also means each member will get 3 sessions free of charge and a week off at Christmas.

After 1 month of joining the choir, and paying weekly, I would like each member to switch to paying by standing order.

Switching to standing order payments will hopefully make it an easier way to pay and save time during weekly sessions and also give me a better idea of numbers which will help with planning.

If you have any questions please do not hesitate to contact me.

I thank you for the support you have shown the choir over the last month and I am very excited to see what the future brings.

### Details for the standing order
